Bronx Council on the Arts

Bronx Recognizes Its Own (BRIO)

Recognizing outstanding artists in the Bronx for 35 years

For over 35 years, BCA's **BRIO** Award has recognized artists from a wide range of creative disciplines who demonstrate proficiency, knowledge, and intense practice in their chosen artform. Each year, BRIO provides direct support to individual Bronx artists who create works in the literary, media, visual, and performing arts with awards of \$5,000. Artists who have received a BRIO award represent the vast diversity of Bronx residents, inclusive of all ethnicities, ages, and genders. Over the years, BRIO has emerged as one of the most coveted distinctions amongst artists residing in the Bronx.

BCA highlights BRIO's core emphasis of recognizing outstanding artists in the Bronx and has distributed over \$2 million in support to over 550 artists over more than three decades. Peer review panels for BRIO are comprised of seasoned artists and arts professionals from outside the borough who are guided by discipline-specific criteria and experience, review submissions anonymously, and select grantees for distinction whose work demonstrates the following:

- An innovative approach to the discipline;
- Probing and pushing of boundaries;
- Technical expertise and high level of skill;
- Ingenuity and rigor in its production;
- An awareness of the medium within a historical context; and
- Compelling vision and original voice.

In addition, grantees are required to complete a one-time public service activity known as **Artists for Community Enrichment (ACE)** within a year of receiving the award. ACE events range from performances with Q&As to workshops and classes, provide artists with additional visibility, and demonstrate the wealth of artistic talent available in our borough.

BCA is proud to continue the BRIO tradition, offering this invaluable honor in the Bronx that:

- Highlights previously unknown voices;
- Recognizes quality artistic practice; and
- Fosters connections between Bronx artists and their communities.

SELECTION OF AWARDS

BRIO is reviewed on a blind submission process. New panels of arts professionals are convened each year to select grantees. All materials and information involved in the process are kept confidential and are viewed anonymously by the panelists. When an application is received, the corresponding work samples are assigned a code number. The applicant's coded work sample is the only potentially identifying information available to the panelists for review. Materials not meeting the submission guidelines will render an application ineligible.

AWARD NOTIFICATION

Award determinations will be emailed to all applicants in Spring of 2024. Grantees will then be invited to a ceremony in June, at which they will be honored and receive the award.

ABOUT ACE (ARTISTS FOR COMMUNITY ENRICHMENT)

ACE is an integral component of BRIO and is a requirement of the grant. Each grantee must present a one-time public service activity within the one-year period after the award. This initiative was created to provide artists with additional visibility, and to provide Bronxites with the opportunity to experience the wealth of talent available in the community.

All BRIO awards are subject to verification of information submitted and proof of Bronx residency.

- You must be a resident of the Bronx (Applicants must provide 2 forms of proof of Bronx residency. See instructions below);

General submission information

- Eligible applicants can submit only one application in one discipline.

- BRIO awards are reviewed in a blind submission process. Panelists will evaluate submissions based **only** on the materials they are viewing, hearing, or reading. Applicants are advised to be highly selective and intentional in choosing work samples to submit. Poor-quality work samples and materials will affect the panel's evaluation.
- To submit an application, you must first create an account on BCA's online grants portal [Submittable.com](https://www.bronxarts.org/submittable).
- Only submit materials necessary for the discipline in which you are applying.
- Any incomplete application at the time of panel review will be ineligible.
